SETTLEMENT AGREEMENT

BETWEEN

SHEFA LMV, INC.

AND

ME & MY BIG IDEAS, INC.

Shefa LMV, INC. (“Shefa”) and me & my BIG ideas, Inc., (“MMBI”), collectively referred to as the “Parties,” enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Shefa’s allegations that MMBI and certain Downstream Releasees, as defined below, violated the California Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code §25249.6 et seq. (“Proposition 65”). The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1.0 Introduction

1.1 Shefa is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2 Shefa alleges and MMBI denies that MMBI manufactures, imports, sells, or distributes, for sale in the State of California, plastic storage case products that contain Diisononyl Phthalate (“DINP”) without first providing a clear and reasonable warning as required by Proposition 65.

1.3 DINP is listed pursuant to Proposition 65 as a chemical known to cause cancer.

1.4 The products covered by this Settlement Agreement are storage case products with plastic components, manufactured by or for MMBI, imported by or for MMBI, or

distributed or sold by or for MMBI to others, including, but not limited to, Create 365, The Happy Planner Storage Case; PLSC-01; UPC: 673807992191 (the “Covered Products”).

1.5 On December 20, 2013, the State of California added DINP to the list of chemicals known to the State to cause cancer.

1.6 This addition took place more than twelve (12) months before Shefa served MMBI with its “60-Day Notice of Violation,” which is further described below.

1.7 DINP is referred to hereinafter as the “Listed Chemical”

1.8 On or about September 21, 2018, Shefa served MMBI, as well as certain relevant public enforcement agencies with a document entitled “60-Day Notice Of Violation” (“Notice”) advising of its intent to sue for alleged violations of Proposition 65 arising from or related to Covered Products containing the Listed Chemical.

1.9 The Notice alleged that MMBI violated Proposition 65 by failing to warn consumers in California that use of Covered Products purportedly exposed users to the Listed Chemical.

1.10 To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against MMBI.

1.11 MMBI denies the material, factual and legal allegations contained in the Notice, and maintains that all of the products that it has sold and distributed in California, including the Covered Products, are and have been in compliance with all laws, including Proposition 65.

1.12 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the Notice and as set forth below concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).

1.13 By execution of this Settlement Agreement, the Parties do not admit any facts or

conclusions of law, including, but not limited to, any facts or conclusions of law regarding any alleged violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest, by any Party, of any alleged fact, conclusion of law, issue of law, or violation of law.

1.14 Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by MMBI, its officers, directors, employees, or parents, subsidiaries or affiliates, any person acting for or on behalf of MMBI, any direct or indirect customer of MMBI who sold or sells the Covered Products, and/or any Downstream Releasees, as defined below, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

1.15 Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Shefa or MMBI may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2.0 Release

2.1 This Settlement Agreement is a full, final, and binding resolution between Shefa, individually and *not* in its representative capacity, on the one hand, and (a) MMBI, and its owners, parents, subsidiaries, affiliates, sister and related companies, partners, principals, employees, licensors, licensees, brands, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively, "Releasees"), and (b) all entities to whom Releasees directly or indirectly have provided, distributed, shipped, transferred or sold the Covered Products, including but not limited to distributors, wholesalers, customers,

retailers, franchisees, cooperative members, and licensees, including but not limited to Jo-Ann Stores, Inc., and their respective attorneys, owners, officers, directors, employees, agents, contractors, subcontractors, predecessors, successors, assigns, subsidiaries, parent(s) and affiliated companies (and each of the officers, directors, legal representatives, insurers, and assigns thereof) (collectively, "Downstream Releasees"), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65, or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and/or Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising in connection with the Covered Products imported, manufactured, provided, distributed, shipped, sold and/or otherwise transferred prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

2.2 Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, but not in its capacity as representative of the public, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively the "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statute or common law, which are, were or could have been asserted with respect to any Covered Products imported, manufactured, provided, distributed, shipped, sold and/or otherwise transferred up to the Effective Date, even if sold by Downstream Releasees after the Effective Date, including without limitation to the extent that such Claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical

contained in the Covered Products or any alleged failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Products.

2.3 Shefa acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Shefa, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and not representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of, Civil Code § 1542, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

3.0 MMBI's Duties

3.1 Commencing on the Effective Date, MMBI shall only sell or offer for sale, in California, Covered Products that are Compliant Products. For purposes of this Settlement Agreement, Compliant Products are defined as those Covered Products either (a) containing the Listed Chemical in a concentration less than or equal to 1,000 parts per million ("ppm") (0.1%) when analyzed pursuant to a scientifically reliable application of U.S. Environmental Protection Agency testing methodologies 3580A or 8270C, or any other scientifically reliable methodology

for determining the Listed Chemical content in a substance of the form of the Covered Products herein (“Reformulation Standard”), or (b) exhibiting a warning in compliance with Proposition 65 (“Compliant Warning”).

3.2 Whenever a clear and reasonable warning is required under Section 3.1 for Covered Products offered for sale in the State of California, it shall state one of the warnings described in Section 3.3 in such a conspicuous and prominent manner as to be likely to be read and understood by the consumer prior to or at the time of the sale or purchase.

3.3 The Parties agree that either of the following warnings shall constitute a Compliant Warning for the Listed Chemical in the Covered Products:

(a) the text, **“WARNING: This product can expose you to DINP, a chemical which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.”** accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by 27 CCR §25603(a); or

(b) the text, **“WARNING: Cancer - www.P65Warnings.ca.gov.”** accompanied by and placed to the right of a symbol consisting of a black exclamation point in a yellow equilateral triangle with a bold black outline sized to be no smaller than the word “WARNING” as provided by 27 CCR §25603(b).

The triangular warning symbol specified in Section 3.3(a) and 3.3(b) shall be in yellow with a black exclamation mark; *provided however*, the symbol may be printed in black and white if the Covered Product label is not printed against a yellow background.

3.4 The Parties agree that the specifications for Compliant Warnings in this

Settlement Agreement comply with 27 CCR §25603 as of the date of this Settlement Agreement.

3.5 If modifications or amendments to Proposition 65 or its regulations after the Effective Date are inconsistent with, or provide warning specifications or options different from, the specifications in this Settlement Agreement, MMBI may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations.

10.3 Within thirty (30) days (or such additional time as the Parties may mutually agree upon) of receiving the notice described in Section 10.2, MMBI and Shefa shall meet and confer on the alleged violation. If MMBI refutes the alleged violation (for example, by establishing the Covered Product is subject to the releases of claims herein or producing test results documenting the subject Covered Product meets the Reformulation Standard), no further action will be taken by Shefa. If Shefa establishes the violation, then MMBI shall send the store or other place at which the product was available for sale to the public a letter directing that the subject product be immediately removed from inventory and returned to MMBI. Should the Parties be unable to resolve the dispute, any Party may seek relief under Section 10.1.
